

# **PUBLIC ANNOUNCEMENT**

## **KY IRA Stakeholder Engagement Session**

**1 pm (EST), December 5, 2024**

**Kentucky Energy and Environment Cabinet Office of Energy Policy**  
**300 Sower Blvd, Frankfort, KY 40601**

The Kentucky Energy and Environment Cabinet, in collaboration with HORNE, LLP, will host a Kentucky Home Energy Rebates Program stakeholder engagement and listening session for Kentucky Gas Utility Companies.

The Kentucky Home Energy Rebates Program champions Governor Beshear’s Better Kentucky Plan:

- Improving Kentucky’s housing infrastructure and quality of life by reducing the energy burden for our most vulnerable citizens.
- Creating jobs and economic development through energy efficiency and contractor training programs.
- Rebuilding more energy-efficient post-disaster housing.
- Creating more resilient communities through housing improvements.

An agenda for the listening sessions is attached. Primary topics include an:

- Overview of the Home Rebates Program
- Outline of the rebate eligibility criteria and application process
- Opportunity to engage, timeline, and next steps

The date, time, location, and registration link for the Kentucky Gas Utility Companies listening session follows:
